LEFT TRAIL OF DEATH

Tornadoes Sweep Over Texas and Mississippi.

MANY DEAD AND INJURED

Three or Four Towns in the South-ern Portion of Mississippi Were Practically Wiped Off the Face of the Earth—Heavy Property Loss.

Mossville, Miss., February 17.—Four whole buildings, and two halves of buildings are the only habitations standing today in this little village. The remainder of the structures here were blown down, and many of them blown well outside the town by Friday's storm, which was one of the most violent to cross south Mississippi. The loss of life here was small compared with the great property destruction.

Two old negroes, Alec Windham and his wife, are dead and Edward Campbell, white, is probably fatally injured. Of the seven other persons painfully injured at this place all are rapidly recovering.

The buildings left standing here are two residences, a cotton gin and a school house. The buildings which the storm cut in two are the Gulf and Ship Island railroad depot and a residence.

The station master happened to be in the half of the depot which was left standing and was scarcely disturbed as the other half of the station went down in a heap and flew away piecemeal.

Goods Scattered for Miles.

The inhabitants of Mossville claim that their village was scattered over at least four miles of territory, this statement being based upon the identification of a hatchet picked up by a farmer four miles from here as part of the stock of the general store of the village. The contents of this store are plainly visible scattered over at least half a mile of ground in every direction by the wind. Many evidences of the force of the storm is seen everywhere. Strong oak trees are twisted, uprooted and scattered in the main street of the town.

Heavy Property Loss

The tornado cut a path several miles long through timber and almost every other obstruction on the face of the country. Those who have been out on this storm trail, state that the loss may reach several hundred thousand dollars.

The towns of Soso and Service were partly wrecked by the same tornado, and it is reported that a fourth small town, Epps, was badly damaged.

Owing to swollen streams, washed out bridges and fallen wires few definite reports have come from these places. At Service it is known that a small daughter of Ike Holloway was killed, and it is reported that a man and woman and two children were also killed.

Tyler, Tex., Is Ravaged.

Tyler, Tex., Feb. 17.—Tyler was swept by the most disastrous tornado in its history Friday morning about 7 o'clock. Coming up from the southwest the storm swept over the main residence section of the city, leaving a trail of death and devastation.

The known dead in Tyler number four—C. A. Francis, agent of the Cotton News; his wife and child, one year old, and a negro named Mose, eighty years of age.

Francis was about twenty-eight years of age and occupied a high place in the esteem of his fellow townsmen. Francis' body was found 100 yards from his wrecked home and the body of his child was found in the street. Mrs. Francis was in the wreckage of a building.

American Shares Were Firm.

Boston, Feb. 17.—On the stock exchange Saturday American shares showed a substantial recovery in sympathy with Wall street. The success of the New York city bond issue created a favorable impression, while the publication of a good bank statement in New York induced the bears to cover and helped the improvement. The market finished firm.

BATTLESHIPS PASS VALPARAISO.

Thousands of Chileans Watched the American Fleet.

Valparaiso, Chile, Feb. 17.—The great American fleet of sixteen battleships, under the command of Rear Admiral Evans, passed Valparaiso and continued on its voyage northward for Callao, Peru, the next stopping place.

All Valparaiso and thousands of persons from every city in Chile witnessed the passing of the fleet. President Montt and the other high officials of the republic came out from shore to greet the battleships, and almost the entire Chilean navy exchanged salutes with them as they swung around Curaumilla point and into Valparaiso bay in single file, headed by the Chilean cruiser Chacabuco and five Chilean torpedo boat destroyers.

The shipping in the harbor and the principal buildings near the bay were decorated for the occasion, and the day was observed as a holiday in honor of the fleet.

The enthusiasm of the Chileans was almost boundless, and they cheered lustily as each boat of the fleet swept around the reviewing ship, their sides lined with jackies in immaculate white, and the bands playing patriotic airs.

STOCKHOLDERS ENJOINED.

Order Issued by Judge Ellis Regarding Neal Bank.

Atlanta, Feb. 17.—After a hearing Saturday morning Judge Ellis, of the superior court, issued an order restraining the stockholders of the defunct Neal bank from disposing of or in any way encumbering any of their property. This action was taken on the petition of R. C. Bosche and other intervenors in the Neal bank case.

Judge Ellis also ordered the receivers to notify the intervenors whenever any order is presented to the court looking to the disposition if the Cuban property and the property of the Alabama Sulphur, Ore and Copper company.

Depositions are Saturday being taken from the officers and stockholders of the Neal bank preparatory to the hearing next week on the intervention to secure for the depositors the collateral held to secure $200,000 of clearing house certificates.

NOTED MOONSHINER CAUGHT.

Was Wanted for the Murder of a Deputy Collector.

Charlotte, N. C., Feb. 17.—Jim Smith, a notorious Smithtown moonshiner, wanted for the murder of Deputy Collector Hendricks, a few months ago, in the mountains of Stokes county, was captured on the streets of Madison by Deputy Sheriff Pratt. The government offered a reward of $1,000 for Smith's arrest.

The other moonshiners, Oscar Sisk and John Hill, wanted for complicity in the shooting of Hendricks, are now in jail at Greensboro, awaiting trial.

Smith will be removed to Greensboro. The government authorities believe Smith to be the leader of the Smithtown moonshiners and that in him they have the actual murderer of the deputy collector.

Kentucky Streams Rising.

Lexington, Ky., Feb. 17.—Streams throughout eastern Kentucky are rising rapidly, as a result of the four days' rain and great damage is feared by lumber concerns along the Kentucky, the Red, Cumberland, Licking and Big Sandy rivers. River men have extra forces of men at work strengthening log booms to hold the thousands of logs which will sweep down upon them. This rush has already begun. Traffic on railroads and interurban lines running out of this city is delayed because of high water.

Bank to Resume Business.

Butte, Mont., Feb., 17.—State Bank Examiner Collins released his charge of the affairs of the State Savings bank Friday night and it was announced that the institution would resume business. The following officers have been chosen to administer the affairs of the reorganized bank: H. S. Langley, president; A. T. Morgan, vice president, and R. B. Mackell, cashier.

WEDS FRENCH DUKE

Daughter of Theodore Shonts Is Won by French Noble.

QUIET WEDDING CEREMONY

Groom Is a Scion of One of the Oldest and Most Aristocratic Families of the French Nobility—Will Spend Honeymoon in Florida.

New York, Feb. 17.—Saturday Miss Theodora Shonts, daughter of Theodore H. Shonts, president of the Interborough Rapid Transit company and chairman of the Panama canal commission, was married at the Shonts home in this city to the Duc de Chaulnes.

Because of the fact that it has come to be believed that the marriage is the result of genuine love match, it has attracted much attention in New York.

The duc comes from an old French family and while not rich, possesses a Paris home, a chateau in the country in France and is described as a young man of attractive personality. He is of the Roman Catholic faith and has obtained a dispensation for his marriage.

BRIDE OF THE DUC DE CHAULNES.

The ceremony was performed by Mgr. Lavelle of St. Patrick's cathedral. Among the foreign guests at the wedding were the duke's sister, the Duchess D'Uzes and Prince de Galitzzan, who acted as groomsman.

Only a small number of guests witnessed the ceremony. The young couple will spend the honeymoon in Florida.

Miss Marguerite Shonts, sister of the bride, was her only attendant, and the Prince Andee Galitzine, the duke's uncle, was best man.

The Shonts home was decorated with American Beauty roses, lilies of the valley and smilax. The bride wore a gown of duchess satin with a court train bordered with orange blossoms.

The Duc De Chaulnes is twenty-nine years of age, and a member of one of the most aristocratic families of the French nobility. He has a house in the city of Paris and an hereditary castle in one of the French provinces.

Theodore P. Shonts, the bride's father, is now president of the Interborough Metropolitan company, which operates the New York elevated railroads and subway.

Students Will Return.

College Station, Tex., Feb. 17.—Nearly 100 students of the Texas Agricultural and Mechanical college have pledged themselves to return to their classes. Efforts are under way by the alumni to induce the remainder of the student body, numbering about 500, to return to classes. The college had been left practically without a student, owing to rebellion against President Legett, of the college.

They Got Their License.

Columbus, Ga., Feb. 17.—In the recorder's court Wednesday the docket was cleared of cases, but not to go Friday, there being sixty on it for trial. Forty-eight of these were against persons charged with draying without license. Their arraignment before the recorder caused them to get busy and they soon had the necessary license to continue the business.

TWO PAY DEATH PENALTY.

Father and Son, Negroes, Executed at Carrollton, Ga.

Carrollton, Ga., Feb. 17.—Charles and Wes Summerlin, two negroes, father and son, were hanged Friday in the county jail here for the murder of Hon. Jeth Jones, a wealthy planter, of Carroll county, on November 29, of last year.

A large crowd was in the city but the execution was private, those who were permitted to witness the execution being only two attending physicians, two ministers, newspaper reporters, the court officials, and the five sons of the murdered man.

The story of the crime follows:

A bale of cotton was stolen from Mr. Jones' ginhouse and carried into the woods. The cotton was discovered by a young white boy while out hunting, and he informed Mr. Jones. Later in the afternoon Mr. Jones went in the woods to where the bale was lying. When he reached the cotton he was killed by the Summerlin negroes, according to the evidence. He was one of the most prominent men of Carroll county, and his murder created great indignation.

SAVANNAH IS CHOSEN

For Next Annual Convention of the Diocese of Georgia.

Augusta, Ga., Feb. 17.—Savannah has been chosen as the meeting place for the next annual convention of the diocese of Georgia, and the event will take place next February either in Christ church or St. Paul's church.

The eighty-sixht annual convention, in session at St. Paul's church, Augusta, completed its business Friday shortly after noon and adjourned. The final session was given over largely to the hearing of reports on routine business mostly of a statistical nature.

A special feature of the final session was the reading of an eloquent tribute to the memory of the late Hon. Frank H. Miller by Captain H. C. Cunningham, of Savannah, chairman of the memorial committee.

UNDER SERIOUS CHARGE.

Claimed Boy Deliberately Scalded a Child to Death.

Chicago, Feb. 17.—Michael Dewala, forty-one years of age, is under arrest charged with having caused the death of Joseph Devenick, the three-year-old son of John Devenick. The child died of scalds received.

Dewala was a boarder in the Devenick home. According to the police, Dewala, following a quarrel with Mrs. Devenick, took the child and, holding him between his knees, deliberately poured boiling water from a tea kettle over the boy's head and down his back.

WANTED LOBBYISTS PUT OUT.

Sensation Created by Resolution in Mississippi Senate.

Jackson, Miss., Feb. 17.—A sensation was created in the senate on Friday when Senator Engle, of the city of Natchez, offered a resolution instructing the sergeant-at-arms to eject from the senate chamber all lobbyists connected with the Cumberland Telephone company.

Mr. Engle made a spirited speech, declaring that lobbyists of that company were using influence s had been used. The resolution was finally referred to the committee on rules.

Cigarette Licenses Are Fewer.

Macon, Ga., Feb. 17.—Sixteen licenses to sell cigarettes and 51 to operate billiard and pool tables against 43 and 67 of last year are two results of the new state laws as shown by the special tax digest in the county ordinary's office. According to the figures as seen on the books there are but 51 pool or billiard tables doing business in Macon, and but 16 places where ready-made cigarettes may be purchased.

Question Is Referred to States.

Tampa, Fla., Feb. 17.—After adopting resolutions referring the immigration question back to the several states and expressing preference for securing settlers from other states rather than from foreign countries, the immigration convention adjourned sine die.

PEOPLE SEEK SAFETY

Many Rivers of the Country are Threatening to Overflow.

FLOOD WARNINGS SENT OUT

Railroad Lines Suffer from Washouts and Telegraph Wires Are Reported Down in Every Direction—Traffic Is Greatly Interrupted.

Mobile, Ala., Feb. 17.—A special from Hattiesburg, Miss., says:

Leaf river is over its banks at this city and a rise of three feet above the danger line is predicted by the weather bureau which will inundate all the low-lying sections of the city.

Residents in these sections are making preparation to move.

The railroad and commercial telegraph wires are down in every direction. All trains are running slowly, fearing washouts.

The Gulf and Ship Island road had fifteen freight cars derailed in a washout, twelve miles north of here. All through service on the road is tied up.

Terrific winds prevailed throughout the day.

RIVERS ARE ON THE RISE.

Serious Flood Is Feared by the Residents of Pittsburg, Pa.

Pittsburg, Pa., Feb. 17.—Rain continues to fall in this city and surrounding territory and the rivers are rising rapidly. The Allegheny and Youghiogheny are beyond their banks at many places and notwithstanding the flood warnings issued, considerable damage will result.

The damage to river craft and property located near the rivers is already heavy. Large ice gorges in the Allegheny and Youghiogheny rivers above this city are momentarily expected to break, wrecking and demolishing craft in its path.

Some alarm is also felt for a number of bridges.

At Wheeling, W. Va., and Steubenville, O., a serious flood is expected to occur but not before Sunday night. Word from Steubenville says that a stage of forty feet will be reached there by Monday morning, or sooner.

At points here, the high water has risen to the ground floors of business houses and dwellings. Throughout the night hundreds of people were actively engaged in removing their household goods to places of safety.

Thousands of families at Sharpsburg, Etna, Aspinwall, Charleroi, McKees Rock, and numerous other places have been compelled to remove their household goods to the upper floors.

The towboat, Robert Taylor, which was wrecked at Coronopolis, is entirely submerged, and will be a total loss.

The rainfall is especially heavy at the headwaters of the Allegheny river. Colder weather is expected and should it occur, it is thought the record of last year's flood will not be reached.

Snow and Wind Storms.

Indianapolis, Ind., Feb. 17.—While northern and central Indiana is swept by snow and wind storms, the southern part of the state is suffering from floods. Reports from Princeton, Vincennes, Evansville and other points, express fear of a still higher stage of waters. Rivers are out of their banks and in several counties bridges have been carried away and buildings in the lowland under water. A dispatch from Bloomingston says the flood there is perhaps the greatest since 1883. The Monon railroad lost a bridge near Salem and a half mile of track has been washed away. At Bedford bottom lands are overflowed. Rural mail routes were abandoned.

Bank Clerk Takes His Life.

New York, Feb. 17.—Edsen Van Dewater, a bank clerk twenty-two years of age, and said to be a member of an old New York family, killed himself in a Raines law hotel at Seventh avenue and Thirty-fifth street, Saturday, by taking poison. He has been despondent for weeks, as a result, it is said, of financial losses.

ROAD WORK BEING EXTENDED IN WEST

Supervisor Emerson and His Force Are Doing Some Fine Work.

THE DISTANCE IS SHORTENED

In Addition to Having Better Road, the Distance Between Newberry and Gainesville Will be Shortened by More Than a Mile.

Supervisor J. R. Emerson, who has been engaged on the construction of good roads in Alachua county for the past few months, is making an excellent showing of the work he is now doing west of the city, on the way to Newberry.

The reporter, together with Commissioner C. C. Pedrick and Supervisor Emerson, made a trip over the new road a day or two ago, and the new work is showing up well.

A right-of-way has been surveyed and cut from a point just west of Hogtown Creek to Tioga, which not only makes a better road, but lessens the distance a little more than a mile between the creek and Tioga. The avenue is a broad one, and the road when completed will prove one of the best in this section of the State.

Mr. Emerson has a good force employed and is making fine progress. Sections of the road have already been clayed, while the material in other sections only needs to be graded and rounded up, the consistency being sufficient to keep the road in good condition.

Mr. Emerson expects in a few months to finish the road to Tioga, when work towards Newberry will be taken up. This will give the traveling public a good road all the way from Gainesville to Newberry, a distance of seventeen miles.

Commissioner Pedrick and Surveyor Taylor spent Monday on the extension of the road, and the latter is now engaged in making a survey, or running a new sectional line.

The Murray Comedy Co.

The coming announcement of the season at popular prices will be the advent of The Murray Comedy Company, at the opera house, numbering eighteen of the best people known to repertoire with a number of first-class specialty artists. They will appear here three nights, commencing Thursday, February 20th. J. Russ Smith, well-known to the theater-going people throughout the country, has certainly placed himself and company high up in the niche of fame, and a better popular-priced organization does not travel. The opening play is a comedy drama of sterling worth, full of strong situations and funny comedy. The specialties alone are worth more than the price of admission. The mystery is how can a company of such merit be presented at popular prices. Upon opening night one lady will be admitted free with each paid 50-cent ticket, if purchased before 6 o'clock.

A Handsome Stock.

W. J. Denby, who has recently accepted a position as floor manager for the Gainesville Furniture Company, has just completed a rearrangement of the stock, which has been admired by all who have seen it.

Mr. Denby has displayed his skill in this work, but he had the advantage of the stock to work with, as no firm of its kind carries a more extensive or more up-to-date line, comprising everything in furniture and house-furnishings.

The Gainesville Furniture Company enjoys a most extensive trade, shipping goods for a distance of a hundred miles in every direction. In Mr. Denby the firm has secured a valuable man, and he invites his friends to call at the store and see him.

Senate Defeated Measure.

Charleston, W. Va., Feb. 17.—The proposed constitutional amendment to prevent the manufacture and sale of liquor in this state, except for scientific and medicinal purposes, which passed the house, was defeated in the senate.

FRANTIC WOMEN

Organic disturbances of the feminine system act like a firebrand on the nerves of women, often driving them fairly frantic.

A nervous, irritable woman is a source of misery not only to herself, but to all those who come under her influence. That such conditions can be entirely overcome by taking

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

is proven by the following letters.

Mrs. Mary Wood, of Christiana, Tenn., writes to Mrs. Pinkham:—

"I had the worst form of female troubles and my nerves were all torn to pieces; sometimes I suffered so much that it seemed as though I could not live.

"I began to take Lydia E. Pinkham's Vegetable Compound and now I feel like a different person. Your medicine is worth its weight in gold, and I cannot say enough for your advice."

Mrs. Wallace Wilson, Thompsonville, Conn., writes to Mrs. Pinkham:

"I was all run down, nervous, and could not rest nights. Doctors failed to help me. Lydia E. Pinkham's Vegetable Compound restored me to perfect health."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

WILL HAVE BIG TIME.

Gainesville Guards Will Have Oysters and Smoker Wednesday Evening.

The officers of the Gainesville Guards, who are Captain J. W. Blanding and Lieutenants Shields Warren and W. G. Wheeler, expect to give the men of their command an oyster supper and smoker in the new armory Wednesday evening, and it is needless to add that the occasion will be largely attended and highly enjoyed.

This affair will be the occasion of the formal opening of the new armory, which is in the old Seminary Hall, and which it is proposed to make one of the most up-to-date armories in the State. A complete gymnasium, pool room, bowling alley and other club features will be installed, and in all the Guards will have an armory and club room of which the city will feel proud.

This remedy is becoming the permanent fixture of all households. A mother with children can't get along without a bottle of White's Cream Vermifuge in the house. Sold by W. M. Johnson.

Storms Stop Trains.

Mobile, Ala., Feb. 17.—On account of washouts on the Mobile, Jackson and Kansas City road and the Alabama and Vicksburg railroad, passenger trains had to be annulled Friday night, the tracks being covered with wreckage. Several washouts were reported west of here.

DELIGHTFUL CARD PARTY.

Mrs. J. F. McKinstry, Jr., Entertained Her Friends.

One of the pleasantest social events of the season transpired at the home of Mrs. J. F. McKinstry, Jr., East Church street, Saturday afternoon, the occasion being a card party, progressive whist being the game.

The rooms on the first floor being en suite, made the place charmingly advantageous to arrange the tables so as the ladies would have the opportunity of mingling together during the entire afternoon. This feature was greatly appreciated by those who occupied the sixteen tables, as it enabled them to be assembled together all the while.

The decorations were very tastily arranged. Violets was the scheme, the effect being carried out beautifully by placing the dainty flowers on the mantels in handsome cut glass dishes. In every detail the taste and thoughtfulness of the clever hostess was shown, and was appreciated by the ladies.

The score cards were unique in the extreme. They were of oval shape, and on each was the painted head of a fascinating maiden.

The first prize, a handsome Venetian dish, was cut for by Mrs. Joseph Manasse and Miss Jessie Bodiford, the former being successful. The consolation prize, a small "cooter," fell to Mrs. Shields Warren.

After the game several specially invited friends of the hostess who do not indulge in cards came in, indulging in the refreshments and hospitality of the occasion.

The refreshments were elegant, consisting of chicken salad, olives, crackers and coffee, daintly served by Mrs. McKinstry and her assistants, Mrs. Brumbey, Mrs. J. W. McCollum, and Misses Irene McCreary, Emily VanDeventer and Batton, of Uniontown, Pa.

MISS CANNON ENTERTAINS.

Friends Enjoy Delightful Valentine Chafing Dish Party.

Miss Annie Cannon entertained Friday night at a delightful Valentine chafing dish party, at the home of her parents. About six couples were present, the function being in honor of the Senior Society of the University.

The place cards and details were all in red hearts and Valentine suggestions. A delicious supper was served in the dining-room, where the table had for its center-piece a lovely design in fruit. The hostess presided over the chafing dish at the head of the table, where she prepared the most delicious creamed chicken. Before and after supper games were played, all appropriate for a Valentine entertainment. Every detail was very clever and original in its arrangement, and all voted Miss Cannon a most charming hostess.

WHAT IS WRONG?

Many People in Gainesville Are Asking That Question of Late.

Within the last few weeks more people in Gainesville than usual have been complaining of sneezing fits, tickling in the throat, stoppage of the nose, coughing spasms, raising of mucous, droppings in the throat and offensive breath, and have asked themselves: "What is the matter?"

The trouble comes from catarrh, and unless they take immediate steps to remedy their condition, the disease will increase and spread through the delicate mucous membrane that lines the air passages, resulting in chronic disease.

At the first symptoms of catarrh, Hyomei should be used. J. W. McCollum & Co. sell it under a guarantee to refund the purchase price of $1 for the complete outfit to anyone who is not satisfied with the results. You certainly can afford to use Hyomei under an offer like this. Get it now and be cured of catarrh.

H. S. Thomas has returned from Rochelle, where he has been for the past few days on a visit to relatives. Mr. Thomas' numerous friends in this section and throughout the State regret that he is not enjoying very good health at this time.

Attention is called to the change of advertisement of the El Dorado Cafe, which appears elsewhere in this issue. Theo. Hudgins, the proprietor, is giving the public an up-to-date service, which is duly appreciated, with the result that he is enjoying a fine trade.

Mrs. R. C. Cooley of Jacksonville, who came to Gainesville as the guest of honor to attend the historical meeting of J. J. Finley Chapter, U. D. C., and who has been with Mrs. W. B. Taylor, will be the guest of Mrs. C. A. Colclough for the remainder of the week.

Tax Assessor W. W. Colson has returned from Trenton and other points in the West End, where he has been for the past three or four days on official business. He reports the farmers in that section in good shape, and anticipating good crops for next season.

Notice to Telephone Subscribers—This is to give notice that all subscribers in arrears will be cut off, if payment for service is not paid by February 20. Collector will call, so if you want the service continued pay your bill. J. A. Goodwin, Local Manager.

Messrs. W. M. and Clay Bullard have returned from Tampa, where they have been for the past two or three days taking in the sights of the State Fair. They are well pleased with what they saw, and declare this to be one of the greatest fairs ever held in the South.

Mr. and Mrs. H. J. Riles and Miss May Kirby have returned from Antioch, where they were summoned on account of the sad death of Mrs. Riles' father, Rev. C. F. Parker. The funeral was held Saturday, and was largely attended. The interment was in the family burying ground at Antioch.

Dr. F. S. Reese, who was elected Bishop of the Episcopal Church of Georgia, a few days ago, mention of which was made in The Sun, is the father of Mrs. F. H. Craighill of this city. The honor was a high one, but justly deserved, as Dr. Reese is one of the most noted divines of his State.

W. H. Sammis and daughter, Miss Florence, of New Canaan, Conn., are in the city, guests of the former's brother-in-law, M. B. Saunders. This is their first visit to Florida, and they are delighted with the climate and those whom they have met. Messrs. Sammis and Saunders enjoyed a drive yesterday to Kelley's big mill on Prairie Creek, where they were very deeply interested in the working of the veneering and other machinery.

One of the Important Duties of Physicians and the Well-Informed of the World

is to learn as to the relative standing and reliability of the leading manufacturers of medicinal agents, as the most eminent physicians are the most careful as to the uniform quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed generally that the California Fig Syrup Co., by reason of its correct methods and perfect equipment, and the ethical character of its product has attained to the high standing in scientific and commercial circles which is accorded to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the excellence of its remedy.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and are essential to permanent success and creditable standing, therefore we wish to call the attention of all who would enjoy good health, with its blessings, to the fact that it involves the question of right living with all the term implies. With proper knowledge of what is best each hour of recreation, of enjoyment, of contemplation and of effort may be made to contribute to that end and the use of medicines dispensed with generally to great advantage, but as in many instances a simple, wholesome remedy may be invaluable if taken at the proper time, the California Fig Syrup Co. feels that it is alike important to present truthfully the subject and to supply the one perfect laxative remedy which has won the appoval of physicians and the world-wide acceptance of the Well-Informed because of the excellence of the combination, known to all, and the original method of manufacture, which is known to the California Fig Syrup Co. only.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent of family laxatives, and as its pure laxative principles, obtained from Senna, are well known to physicians and the Well-Informed of the world to be the best of natural laxatives, we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of Syrup of Figs—and to get its beneficial effects always note, when purchasing, the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package, whether you simply call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna—as—Syrup of Figs and Elixir of Senna—is the one laxative remedy manufactured by the California Fig Syrup Co. and the same heretofore known by the name—Syrup of Figs—which has given satisfaction to millions. The genuine is for sale by all leading druggists throughout the United States in original packages of one size only, the regular price of which is fifty cents per bottle.

Every bottle is sold under the general guarantee of the Company, filed with the Secretary of Agriculture, at Washington, D. C., that the remedy is not adulterated or misbranded within the meaning of the Food and Drugs Act, June 30th, 1906.

YOUR HAT

May Be a Stylish One, But It Makes Trouble.

A man usually buys a hat that's "in style," but the modern hat for men has lots to answer for.

Baldheads are growing more numerous every day. Hats make excellent breeding places for the parasitic germs which sap the life from the roots of the hair.

When your hair begins to fall out and your scalp is full of Dandruff it is a sure sign that these contagious germs are busily at work.

There is but one way to overcome the trouble and kill the germs—that way is to apply Newbro's Herpicide to the scalp—it will kill the germs and healthy hair is sure to result.

REPUBLICANS DIVIDING.

The outlook seems quite fair for the long-expected split in the Republican party. This thing has been impending ever since President Roosevelt took the helm and began on the policy of regeneration and reform that was not at all to the liking of many of the long established leaders of the party. Radical as some of the preachings of the Democratic party seemed in 1896, they were radical simply because they were honest and meant what has since come to be known as the "square deal" and is accepted as a Roosevelt if not a Republican principle. President Roosevelt wanted more of the square deal and more regeneration and honesty, and to get them he had to appropriate doctrines that had been ten tenets of the Democratic party. His search for honesty was rash, and even headlong, considering the practices and training of many of the leaders he had to deal with, and there has arisen a schism in the party that promises to grow more pronounced. The split is primarily in Ohio, and the charge has been made that the President has used Federal patronage in that State to further the candidacy of Secretary Taft. Perhaps he has to some extent. Perhaps he has not done so in nearly such a pronounced fashion as many of his Republican enemies and Republican predecessors. What the exact facts are it is hardly worth while discussing. The one fact remaining is that Senator Foraker arose in the Senate and attacked the President violently, charging him with improper political methods. Such a charge was entertaining, coming from the senior Senator from Ohio, but it was cheered, showing the temper of the Senate where President Roosevelt is concerned. A split of the President and the Senate at this juncture means certainly a halving split of the party. It is a cheerful thing to contemplate for the present minority, and there is little doubt, if the Democratic party will get together and stay together, they will have much more than a fighting chance of carrying the next National election.

REVISING IT HIGHER.

The Republican plan for a tariff commission is not receiving enthusiastic commendation from those who really desire tariff reform, and even the standpatters fight shy of it until "after election." But perhaps it is only put forward to fool the people again into the belief that the Republicans will revise the tariff, which they never intend to do, except to revise it higher. They are already talking of a maximum and minimum tariff, which probably means that the present high rates are to be the minimum, and the maximum rates will be from 20 to 50 per cent higher. That would be reforming the tariff according to "the principle of protection," and would help the trusts to tide over Republican hard times. It is evident that Republican tariff revision promises are made to be broken, and that those who desire tariff reform must ally themselves with the Democratic party, for only a Democratic Congress will enact real tariff revision, and only a Democratic President will sign such a bill.

The Republican promise of "tariff revision by its friends" sounds almost like advising one to get treated for dipsomania by a bartender.

POLITICAL ANNOUNCEMENTS

FOR MARSHAL.

To the Voters of Gainesville—I take this method of announcing my candidacy for Marshal of the City of Gainesville. I have been on night work as an officer, protecting you and your interests while you were asleep, for about three years, and leave it to you as to whether I have performed my duty well, and with impartiality. I think I have been long enough at night work to be entitled to a day job, and if elected I promise you a faithful, impartial and efficient service. Yours for order,

C. L. KITE.

I take this method of announcing my candidacy for re-election as City Marshal at the election April 14th, 1908. I have endeavored to perform my duty without fear or favor, and would appreciate the support of my fellow-citizens, promising the same attention to the duties of the office in the future as in the past. Thanking you for past support, and soliciting your votes at the coming election, I am,

Very truly,
BEN T. ARNOW.

I hereby announce myself a candidate for City Marshal in the election to be held on the 14th day of April, 1908. I promise if elected to endeavor to do the duties required by the ordinances as near as I possibly can, and I solicit the votes of all law-abiding citizens.

Respectfully,
CHAS. PINKOSON.

Often The Kidneys Are Weakened by Over-Work

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great Kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

HERBINE

The Popular Liver Medicine Will Keep You Well

A GUARANTEED CURE for all diseases produced by TORPID LIVER and IMPURE BLOOD. Do not fill your system with Arsenic, Calomel and Quinine. They act as rank poisons which vitiate the blood, debilitate the system, and leave a trail of bad symptoms which require years to obliterate. HERBINE is purely vegetable and contains no mineral or narcotic poisons, is absolutely harmless and is the simple remedy of nature. It carries off all poison in the system and leaves no injurious effects.

CURED BY HERBINE AFTER OTHER REMEDIES FAILED

Mr. L. A. Hicks, Iredell, Texas, says: "I was sick in bed for eight months with liver trouble, the doctor seemed to do me no good. I was told to try Herbine, and it cured me in a short time. I cannot recommend this wonderful medicine too highly."

SHORT STATE ITEMS

George Edwards, a young man from Lakeland, fell beneath a moving train at Fort Myers Sunday last and lost an arm.

Charles P. Munn, who for eight years had eluded the officers, has been captured. Munn is charged with the murder of the two Smith brothers in Columbia county, in 1900.

The dead body of a negro by the name of Sam Preston was found near Wellberry three or four days after he had been murdered. The jury of inquest after an investigation brought in a charge of murder against two white men, who are now under arrest and will be held for the next grand jury.

John E. Hall, a young white man clerk in the Tampa postoffice for more than a year, was recently arrested on the charge of opening a letter directed to another. The letter was addressed to a woman of ill-fame. The young man plead guilty to the charge, stating that he was desirous of ascertaining the character of correspondence between the writer and the woman.

The failure of the Planters' Security Bank at Jensen has caused much hardship, so many had all their little savings there. The Ladies' Aid Society had over two hundred dollars. The colored people and the colored churches had their accounts there—even the children and young people who had saved their pennies and dimes deposited them there. Of course it will not all be a dead loss. The most optimistic hope to get 75 cents on the dollar, while others offer their accounts for ten cents on the dollar.

Mr. Herbert Dresser, twenty-eight years of age, who lives at 32 West Beaver street, Jacksonville, while crossing Forsyth street recently, in front of the Aragon Hotel, narrowly escaped being run down by a large touring car. The shock so affected him that when on recovering his presence of mind he found that he could neither hear nor speak. He at once made his condition known to the two companions who were with him, and they at once escorted him to the office of a physician, who declared that it was a rare case of vocal paralysis. The throat is so swollen that the young man has to take his food through a rubber tube. He is a cornetist, with Grunthal's Band, and while playing, for beyond losing his voice and hearing, he suffers no inconvenience. He is confident of recover.

eight o'clock yesterday morn launch "Pleasure," owned by Mrs. Smith of Detroit, was be on fire, and all the boat found the Seminole dock and uts hurried out to the craft in quelling the flames. With ne fighting, the fire was got- er control, with but little done. There is nearly always to laugh at during an epi-sode of this nature, and this instance was no exception. It seems that the gasoline stove on board, used by Mr. and Mrs. Smith, had been leaking and when Mr. Smith lit it, a great flash of fire went up, finally igniting a pail of gasoline near the stove. This added excitement to the scene. Later, one of the men who came to the assistance, grabbed a bucket of water (as he thought) and threw it on the flames. It wasn't water, though—it was gasoline. More excitement. After working for ten minutes, however, the flames were subdued, but while it lasted, the fire was one Mr. and Mrs. Smith will put down in their diaries as a "Narrow Escape."—The Miami Metropolis, February 14.

DELICATE CHILDREN

All Persons Who Have Delicate Children in Gainesville Will be Interested in This Article.

Rapidly-growing children need a great deal of vitality. They grow fast, play hard and work too hard at school. Then the appetite becomes fitful, their nights are restless and they soon become weak, delicate and sickly.

We want to remind the parents of every such child in Gainesville that our delicious cod liver preparation—Vinol—will correct these troubles and make for each child new vitality, sound flesh and muscle tissue, strong bone structure, and pure, rich red blood. It will build them up, fill out hollow cheeks and make them strong, robust and rosy.

Mrs. C. Allen of New Bedford, Mass., writes: "With two puny, ailing children, I was very much worried. I had tried almost everything to build them up without success and, as a last resort tried Vinol. The benefit was great in a very short time, they gained flesh and strength so rapidly."

The reason Vinol is so far superior to old-fashioned cod liver oil, emulsions and other tonics for children is because Vinol is a delicious modern cod liver preparation without oil made by a scientific extractive and concentrating process from fresh cods' livers, combining with peptonate-of-iron all the medicinal, healing, body-building elements of cod liver oil, but no oil, and children love it. We ask parents of Gainesville who have delicate children to try Vinol on our guarantee to return their money if it fails to give satisfaction.—W. M. Johnson, Druggist, Gainesville, Fla.

The Circuit Court.

The special term of the Circuit Court for the Eighth Judicial Circuit, over which Hon. J. T. Wills presides, was called to order at 2 o'clock Monday afternoon, and after hearing a few arguments and passing upon a few cases, the court adjourned until 9 o'clock this morning.

This special term was called for the purpose of clearing the civil docket.

FLORIDA MID-WINTER EXPOSITION

Large Crowds Visit Jacksonville's Great Show.

Jacksonville, Feb. 17.—As the great Florida Mid-Winter Exposition at Jacksonville progresses new features are being added and new concessions granted daily.

From all parts of the State people are pouring in, and as one wanders through the big Palace of Industry, and along the Florida Trail, he is almost sure to meet someone from his home town. It is quite an education in itself to see these exhibits of our State's products and industries, to say nothing of the pleasure derived from visiting the shows along the Trail. The scene at night from the Jacksonville shore, when all the grounds and buildings are brilliant with myriad incandescent lights, is one of resplendent beauty, and the busy and brightly lighted ferries which ply the river make a picture that one does not soon forget.

Many free attractions are always going on, foremost of which is Beachey and his airship, which makes an ascension daily, and one at night with the aid of a powerful searchlight. This spectacle alone is worth coming many miles to witness.

Prof. Lewis and his troupe of wonderfully trained dogs will give free matinee and night performances.

La Carmontella, the beautiful physical culture artist, will give a free exhibition of her wonderful acts daily.

Beginning February 24th, and continuing for four days, will be the Jacksonville Society Horse Show, in which prominent men from all over the State have shown much interest, and which promises to be the greatest gathering of horseflesh ever before brought together in Florida. All are invited to enter their horses in competition for the valuable prizes which will be awarded. Rules and regulations governing same will be furnished on application to General Manager L. W. Buckley.

Capt. Henry, electrical engineer wizard of the wireless, will give demonstrations and lectures on electricity in the Palace of Industry. Captain Henry was formerly in the United States Government service and does more wonderful feats with electricity and the wireless telegraph than any man living.

THE HYACINTH PEST.

The Canal Opening Into Lake Santa Fe Has Been Cleared Again.

With the hyacinths removed from the canals connecting the lakes between Waldo and Melrose, and the inauguration of steamer service between these points again, matters will present an old-time appearance once more. The coming of the boat, both here and at Melrose, will be greeted with pleasure by the people. For some time past the good people at the other end of Lake Santa Fe have been practically "bottled up" so far as communication of commercial source is concerned, the pest known as the water hyacinth becoming so numerous in the canals as to render the operation of the steamer a difficult task. The new steamer being constructed at Melrose is said to be nearing completion, when it will be placed into regular service.—Waldo News.

A New Setzer.

C. P. Setzer, for a long time connected with The High Springs Hornet as the editor and proprietor, but who is now residing at Quitman, Ga., is now a full-fledged papa, as his good wife presented him on Sunday morning with a handsome, bouncing boy.

Mr. Setzer writes The Sun to the effect that his long desire is at last realized. In his own language we take the privilege of quoting:

"Mother is doing nicely, while father has an inglorious case of hysterics—but everything is all right."

Friends of Mr. Setzer in this section of the country will extend congratulations.

Even from the Mountains

Ballard's Snow Liniment is praised for the good it does. A sure cure for rheumatism and all pains. Wright W. Loving, Grand Junction, Colo., writes: "I used Ballard's Snow Liniment last winter for rheumatism and can recommend it as the best Liniment on the market. I thought, at the time I was taken down with this trouble, that it would be a week before I could get about, but on applying your Liniment several times during the night, I was about in 48 hours and well in three days." Sold by W. M. Johnson.

No Operation

Mrs. Malinda Akers, of Basham, Va., writes: "I had what doctors call 'prolapse,' and couldn't stand straight. I had pain in my back and shoulders, and was very irregular and profuse. Doctors said an operation was needed, but I couldn't bear the thought of the knife. After taking three bottles of Wine of Cardui, I could walk around. Can now do my housework and am in splendid health."

Cardui is a pure, vegetable, medicinal essence, especially adapted to cure women's diseases. It relieves excessive periodical pains, regulates irregularities, and is a safe, pleasant and reliable remedy for all sick women. In successful use for over 70 years. Try it.

To quote his own from an interview upon his ar- in an eastern city: "The average or woman cannot be sick if the ach is working properly. To be there are diseases of a virulent re, such as cancer, tuberculosis, etc., which are organic, and not traceable to the stomach, but fevers can, in nine cases out of be traced to something taken into stomach. To sum the matter up—a sound di- gestive apparatus that is doing its full duty, getting every particle of vitality out of all food by transferring it to the bowels in a perfectly digested state—this above all else brings health."

Mr. A. C. Brock, chef of the Brock Restaurant, Market District, Boston, Mass., who is a staunch believer in Mr. Cooper's theory and medicine, has this to say: "I had chronic indigestion for over three years. I suffered terribly, and lost about thirty pounds. I was a physical wreck when I started this Cooper medicine, a month or so ago. Today I am as well as I ever was in my life. I am no longer nervous, my food does not distress me in the least, and I have a splendid appetite. I am gaining flesh very rapidly—in fact, at the rate of a pound a day. I would not believe any medicine on earth could have done for me what this has done. It is a remarkable preparation and Mr Cooper deserves all his success."

We recommend the Cooper preparations as being remarkable medicines. J. W. McCollum & Co.

NEWS OF CITY AND COUNTY CONDENSED

Remember The Sun office when you want anything in the printing line.

L. G. Connell and J. H. Day of Tyler were in the city yesterday. Mr. Connell is a merchant of that town, while Mr. Day is employed as a saw filer by the Tyler Lumber Company.

J. E. Waugh, formerly of this city but now residing in Macon, Ga., where he has a lucrative position with the Georgia Southern & Florida railroad, has returned to his home, after a brief visit to his family and friends here. Mr. Waugh is well pleased with the Georgia city, which he declares is one of the finest cities of its size in the South. His friends here were glad to see him.

Prof. F. H. Ellis of Santa Fe was in the city yesterday. Prof. Ellis, who is an erstwhile school teacher in this county, who has made a fine record, has been recommended to the Governor for appointment as a member of the school board to succeed J. F. Futch, resigned. Prof. Ellis is thoroughly competent, and his appointment would meet the approval of the public generally.

Among those who spent a short time in Gainesville yesterday was Fred Gaskell, for many years a popular young man of Ocala, but now residing in Asheville, N. C. He has been on a visit to his sister, Mrs. Holtzclow, at Candler, where he thoroughly enjoyed his outing and his friends. Mr. Gaskell has been in ill health for the past two years, but his friends will be glad to learn that he is very much better, and that he will probably be himself again soon.

For three nights, commencing Thursday, February 20th, The Murray Comedy Co. in repertoire, eighteen people. New and novel specialties introduced between the acts by different members of the company. A carefully-selected repertoire of plays by special permission of authors. Their opening play is a great scenic production, in which each and every member are seen at their best. The company is headed by Miss Dorothy Smith and Alvah Simms, late of the Empire Stock Company, and supported by many other well-known artists. A great big dollar show at popular prices. Every lady accompanied by a person with a paid 50-cent ticket will be admitted free on opening night, if purchased before 6 o'clock.

BABY'S EYESIGHT WAS THREATENED

By Terrible Eczema—Head Became a Mass of Itching Rash and Sores —Would Scratch Till Blood Came —Much Money Wasted in Fruitless Treatments—Disease Was Soon

CURED AT SLIGHT COST BY CUTICURA REMEDIES

"Our little girl was two months old when she got a rash on her face and within five days her face and head were all one sore. We used different remedies but it got worse instead of better and we thought she would turn blind and that her ears would fall off. She suffered terribly, and would scratch until the blood came. At night we had to pin her hands down. This went on until she was five months old, then I had her under our family doctor's care, but she continued to grow worse. He said it was eczema. When she was seven months old I started to use Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and in three weeks — what a change! I kept using the Cuticura Remedies for two months and our baby was a different girl. You could not see a sign of a sore and she was as fair as a new-born baby, and all for the small cost of a dollar and seventy-five cents where we had spent ten times the money for doctoring. She is now two years old and has not had a sign of the eczema since. Mrs. H. F. Badke, R. F. D. 4, LeSueur, Minn., Apr. 15 and May 2, 1907."

SLEEP KILLED

By an Itching Humor. Another Cure by Cuticura Remedies.

"I broke out with a humor which spread almost all over my body. The itching would get worse on retiring, so I could not sleep. I tried several remedies but it grew worse until I got some Cuticura Soap and Cuticura Pills which began to relieve me at once. By the time I had used one vial of the Pills, the humor was entirely gone. I wish every sufferer could secure the Cuticura Remedies. Travis Bates, Hamburg, Ark., April 26, 1907."

The Mildest and Most Effective Laxative Known

No laxative sold in our store can compare with this perfect bowel regulator in gentleness and efficiency. It is not a re-arrangement of old laxative and cathartic drugs, but an entirely *new* laxative and cathartic. All the good points of other laxatives have been carefully preserved in this new laxative, while their faults have been as skillfully eliminated.

Rexall Orderlies

simply re-establish Nature's functions without any unpleasantness whatever. *No griping—no nausea.* To sufferers from constipation or sluggish liver they bring immediate relief, and no constipative reaction results from their use. They work quietly, but thoroughly, and the rest of the body is unaware of their presence.

Rexall Orderlies are as pleasant as they are effective. Put up in agreeable tasting, vanilla-flavored tablets.

Box of 12, - 10c. Box of 36, - 25c.

The Rexall Guarantee

is the strongest ever made. If these Orderlies do not benefit you,—if you're not entirely satisfied with them, —bring back the empty box and we will promptly hand back your money. The *complete formula* of these new laxatives given upon request.

FREE ENTERTAINMENT

Opposite Johnson's Drug Store—Singing, Dancing and Music.

On the square, opposite Johnson's drug store, last night a conflagration was averted by a quick insertion of the flame into the mouth of Nelson Butler, a citizen of Washington, Georgia. It was witnessed by an immense crowd and a sight of relief was heard when it was apparent all danger was over. He certainly is a human wonder, and Doctor Livingston, the Root-and-Herb Tea king, states positively that as a subduer of blazing and roaring fire, Butler has no equal. Another remarkable feature about him is his work as a ventriloquist—no movement of the muscles of the face can be detected and a clear and distinct voice is heard coming from the little figure in his arms. Butler is talking for it. Be ready to see this wonderful exhibition every afternoon and night as long as Doctor Livingston remains in town advertising his wonderful curative Root and Herb Tea Remedies. There are other strong features about Dr. Livinston's free nightly entertainment, such as singing, dancing and musical numbers. The entire cast of entertainers are from the Sunny South. There is nothing in the evening's merriment that the most fastidious cannot witness or hear. Bring the ladies and little ones.

A Serious Runaway.

Those on the square Sunday afternoon were furnished considerable excitement when the horse of J. B. Brooks became suddenly frightened and made a dash. The animal was on East Main street N., in the vicinity of Holy Trinity church, when he became agitated over the presence of a street roller. Mr. Brooks was nervy, however, and held the animal down for a block, but when on the corner of East Main and East Liberty the horse made a sudden turn, throwing the occupant of the buggy out. Fortunately he landed on his hands, being only slightly injured.

The horse made a dash around the corner and down West Main street S., and was stopped before damage was done to the buggy.

Friends of Mr. Brooks congratulate him that the injuries were no worse.

FIRE AT MORGANTOWN.

Lumber Plant Burned—Loss Between $75,000 and $100,000.

Morgantown, Ga., Feb. 17.—The lumber plant of Beebe & Son, of Boston, Mass., three miles south of this place, was destroyed by fire Thursday night, entailing a loss of between $75,000 and $100,000, with no insurance. It is thought that the fire was of incendiary origin.

A. C. Owenby, of this place, was in charge of the plant. He has no clew at present as to who did the burning. The lumber piles were saturated with kerosene oil.

Money Quickly Returned.

Dawson, Ga., Feb. 17.—Wyatt Burgess, residing in the eastern part of this county, on retiring Wednesday night placed under his pillow $25 or $30 and when he awoke he discovered that his money had been stolen. Two negro laborers were arrested and carried to the yard at Mr. Bridges' home, where they were kept until the next day, Mr. Bridges and family had their breakfast. As the party came to the yard gate, Mr. Bridges discovered his money on top of one of the gate posts, where it had evidently been put a short while before.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes that has any such professional endorsement—works more than a number of ordinary nostrums. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

SWEPT OVERBOARD IN STORM.

Montanez, Who Was Drowned, Was Groom of a Month.

Savannah, Ga., Feb. 17.—The fishing smack, M. A. Baston, arrived in port having in tow the smack C. C. Leslie, from Charleston. Aboard the Leslie was Robert Garnier, but Joseph Montanez, his shipmate, had been swept overboard in a storm off Port Royal and lost.

The same wave swept Garnier off, but a swirl carried him back and he clung to the boat. The Leslie had sailed from Charleston last Friday. Montanez leaves a bride of a month.

OLD SORES FED AND KEPT OPEN BY IMPURITIES IN THE BLOOD

If Old Sores were due to outside influences, or if the cause was confined strictly to the diseased flesh around the ulcer, then external treatment and simple cleanliness would cure them. But the trouble is in the blood, which has become unhealthy and diseased, and keeps the sore open by continually discharging into it the impurities and poisons with which the circulation is filled. This poisonous condition of the blood may be the remains of some constitutional trouble; the effect of a long spell of sickness, or because the natural refuse of the body, which should pass off through the proper avenues, has been left in the system and absorbed into the blood. Again, the cause may be hereditary; but it does not matter how the poison becomes intrenched in the blood, the fact that the sore will not heal is evidence of a deep underlying cause. Salves, washes, lotions, etc., may cause the place to scab over temporarily, but the blood is not made any purer by such treatment, and soon the old inflammation and discharge will return and the sore be as bad or worse than before. S. S. S. goes down to the very bottom of the trouble, cleanses and purifies the blood, and makes a permanent cure. S. S. S. enriches and freshens the circulation so that instead of discharging unhealthy matter into the place, it carries rich, tissue-building, flesh-healing blood to the diseased parts and in every way assists in a natural cure of the sore. Book on Sores and Ulcers and any medical advice free to all who write.

Photography today is an economic and social necessity in every community. It maintains the memory and affections of family life through the picture it makes, and which we could not now do without. How often is regret expressed that no picture exists of some friend or relative who is no longer with us! Sometimes, indeed, the camera has to intrude upon the sacredness of the death chamber itself when relatives feel that a photograph in such circumstances is better than none at all.
